## Professional Summary

Java Full-Stack Developer | CSE Undergraduate | Internship at NIC (MeitY) Built **scalable workflow platforms** for **pan-India operations**. Expertise in **Spring Boot, JPA/Hibernate, REST APIs, Microservices, PostgreSQL, Thymeleaf, Bootstrap**. Deployed production apps with **cPanel, PM2, Linux, SSL/HTTPS**. Integrated APIs: **SMTP, Razorpay, third-party REST APIs**. Skilled in **Browser DevTools, AI integration, prompt engineering**. Patent holder, GSoC contributor; deployed live sites: mkssindia.org, wowwoolies.co.in.

## Technical Skills

- **Languages:** Java, C++, Python, JS, SQL
- **Backend:** Spring Boot, JPA/Hibernate, REST APIs, Microservices, RBAC, Audit Logging
- **Frontend:** Thymeleaf, Bootstrap, AdminLTE, HTML/CSS, jQuery, AJAX, Browser DevTools
- **API Integrations:** SMTP, Razorpay, third-party APIs, notifications
- **Databases:** PostgreSQL, MySQL (schema/indexing/optimization), MongoDB (Atlas, Compass)
- **Deployment & DevOps:** cPanel, PM2, Putty, WinSCP, Linux, SSL/HTTPS, environment variables, production monitoring
- **AI & Automation:** ChatGPT, Gemini, chatbot integration, prompt engineering
- **Tools & Concepts:** Git, Maven, IntelliJ, Eclipse, OOP, Debugging, OAuth 2.0, DSA (500+ LeetCode)

## Internship

Java Full-Stack Developer Intern — NIC (OAD Division), MeitY, New Delhi Jun–Jul 2025

- Built **workflow automation platform** for 10+ departments with **RBAC and audit logging**, improving efficiency **40%**.
- Optimized **PostgreSQL queries** to reduce report generation from 5s to <1s.
- Designed a **scalable microservices architecture** for multi-department workflows.

## Projects

wowwoolies.co.in — E-Commerce Deployment Oct 2025

- Managed nationwide live deployment using **cPanel, PM2, SSL/HTTPS, Linux**.
- Configured environment, domain, monitoring, and Google Search Console.

mkssindia.org — Website Deployment Sep 2025

- Deployed and maintained site with **cPanel/Linux** ensuring nationwide uptime and SEO via Google Search Console.

Honorarium Management System — Internally Deployed @NIC Jun–Jul 2025

- Developed **Spring Boot + JPA + PostgreSQL** platform for 1000+ officials.
- Integrated **AdminLTE + AJAX** for real-time updates.
- Designed modular workflow routing for dynamic approvals.

Bluetooth Anti-Theft System (Patent) Sep 2024 – Ongoing

- Engineered proximity alert system; Patent No. **202411093785 A**.

## Education

B.Tech (CSE), Govt. Engineering College, Ajmer	CGPA: 7.45	2022–Present
XII (CBSE), JNV Bareilly	81%	2020–2021
X (CBSE), JNV Bareilly	86.4%	2018–2019

## Achievements

- Deployed wowwoolies.co.in (Oct 2025) — secure, high-performance nationwide operations with monitoring and SEO.
- Solved **500+ LeetCode problems** (DP, graphs, arrays, strings, trees).
- Deployed mkssindia.org (Sep 2025) — ensured uptime and SEO via Google Search Console.
- Patent granted — "Bluetooth Anti-Theft System" (Sep 2024)
- Open-source Contributor — GSoC 2025 (Feb 2025)
- Ranked 7th — Coding Ninjas Leaderboard (Oct 2024)
